

We're so excited that you've decided to join us in Linesville PA for the 5th Annual Lighted Tractor Parade on **December 1st**. It's a magical event! Let us help you make the most of your visit.

**Where's the Parade?** We'll be traveling from the Conneaut Area Senior High School at 302 West School Drive and going right along Erie Street until we meet Jefferson Street. **By the landmarks:** High School, through the stop light, bear left at the Y, go a bit further and when you see the road to the ballfields (Stratton Avenue) that's about the end of the route.

**What Time Does the Lighted Tractor Parade Start?** The magic begins at **6 PM**. Get excited! The main roads through town (Erie Street and Mercer Street ) will remain open until as close to 6 PM as we can make it. Expect adjacent side streets to be closed earlier in the day to prevent folks parking along the return parade route.

**Where Should I Park?** We have lots of parking in the Linesville area. Check the map to see where the parade will be traveling and avoid parking along those streets. We have **FREE** parking at the Baptist Church and St. Philip Church.

**Did I Hear Something About Free Shuttle Service?** Anderson Coach and Travel has you covered! Two buses will travel between the traffic light, the High School, and our Two Free Parking Lots.
